Item	Description
1	1 Time recording system With NFC recording and Touchmonitor, mfr. Terra, wall-mounted
2	1 Server rack 1-door, tall version, with contents consisting of 2 patch panels, mfr. Rital
3	1 Telephone system Make: Starface, Type: Pro
5	2 Router Type: Fritz!Box
6	1 L-shaped desk combination Plus 1 sideboard, 2 sliding doors and 1 office swivel chair
7	1 L-shaped desk combination Plus 1 sideboard, 2 sliding doors and 1 Bürodrehstuhl and 1 visitor chair
8	2 Highboards Each 2 sliding doors, plus 1 wall coat rail
9	3 Filing cabinets Each 2-door
10	1 Corner sink Wood/metal
11	1 Refrigerator Make: Amica
12	1 Microwave Make: Bomann
15	2 IP telephones Make: Yealink, Type: T46G
16	2 TFT monitors Make: Samsung/Acer, older
17	1 Conference table Plus 6 upholstered chairs
18	3 Highboards Make: Palmberg, plus 2 filing cabinets, open
19	1 Desk Make: Palmberg, plastic/metal, plus 1 mobile pedestal and 1 office swivel chair
21	1 IP telephone Make: Yealink
23	1 TFT monitor Make: Iiyama, wall-mounted, with remote control and integrated PC
24	1 L-shaped desk combination Make: Palmberg, plastic/metal, plus 1 sideboard, open, 2 shelves, 1 mobile pedestal, 4 drawers and 1 office swivel chair

Item	Description
27	1 L-shaped desk combination Make: Palmberg, plastic/metal, plus 1 sideboard, open, 2 shelves, 1 mobile pedestal, 4 drawers and 1 office swivel chair as well as 1 sideboard, 2 louvered doors
28	1 Planning board Wall-mounted
29	1 Coat stand Plus 1 fan
30	1 Storage table Make: Palmberg, 800 x 800 mm, plastic/metal, plus 1 upholstered chair und 1 highboard, 2 sliding doors
31	1 Rotary file stand 6 shelves
32	1 Multifunction device Make: Kyocera, Type: Ecosys M8124CIDN, with base cabinet, 2-door, mobile
33	3 Filing cabinets 2x 2-door, 1x 2-door, with 3 hanging file drawers
34	1 Table Wood/metal, approx. 2,000 mm long, plus 6 stacking chairs
35	1 Table Wood/metal, approx. 2,000 mm long, plus 6 stacking chairs
36	4 Lockers Metal, each 3-door, plus 3 lockers, metal, 2-door
37	2 Waste bins Metal
39	2 Lockers Metal, each 2-door
40	5 Locker cabinets Wood, each 4-door
41	2 Cabinet rows Multi-door
42	1 Step stool Aluminium, 3-step
42a	1 Locker Metal, 2-door
44	1 Display cabinet (without contents) 1-door, with 4 glass shelves
45	1 Washing machine Make: Bosch, Type: Maxx7 Edition XL

Item	Description
46	1 Locker Make: Horex, metal, 2-door, plus 1 cabinet, mfr. Garant, metal, 2-door
48	1 Desk Plastic/metal, electric height-adjustable
52	1 Colour printer Make: Hewlett-Packard, Type: Officejet pro X451DW
53	1 Desk Plastic/metal, plus 1 office swivel chair, 1 mobile pedestal and 1 sideboard, 2 sliding doors
54	1 Desk Make: Palmberg, plastic/metal, plus 1 office swivel chair, 1 mobile pedestal and 1 storage table
55	1 Desk Plastic/metal, plus 1 mobile pedestal and 1 upholstered chair
56	2 Sideboards Each 2 sliding doors
57	1 Cabinet Consisting of 3 elements, multi-door
58	1 Runout tester Make: Benzing, Type: 44300075, with camera system and touch panel, mfr. Tomlov (digital microscope) type TM3K-3DMax, mfr. no. TM3K3DMAXBDM00429
59	1 3-tier storage trolley Make: Garant, Type: 918540_T76, internal ref. QS-Wagen
60	1 Measuring equipment cabinet Make: Garant, metal, 8 drawers
61	1 Measuring equipment cabinet contents Consisting of div. measuring tools incl. vernier calipers range 0-300 mm, depth micrometers, outside and inside gauges, outside micrometer, inside micrometer, liwith plug gauges, thread ring gauges, thread plug gauges, liwith snap gauges etc. as well as 1 lot of measuring tools from production area
62	1 Profile projector Make: Microtecnica, Type: Helios 350.V, Serial no.: 5FPA072, internal ref. MM03
63	1 Surface roughness tester Make: Mitutoyo, Type: SJ-410, Serial no.: 000661905
64	1 Height gauge Make: Perthen/Mahr, Type: PST-UE, Serial no.: 1164, with Nutenkreuztisch and vertical adjustment
65	1 Granite measuring surface plate Make: Planolith, with base frame. DIN 8 761

Item	Description
66	1 Height gauge Make: Mahr, Type: Digimar CX1, built 2002, Serial no.: 4239
67	1 Cleaning cloth roll stand Make: Würth
68	1 Workbench Wood/metal, approx. 1,500 mm wide, plus 1 sideboard, 2 sliding doors
69	1 Measuring surface plate Make: Nieberding, Type: flatness 0,025, fixture 5M 5000:1, Serial no.: 13022, granite, 450 x 350 x 100 mm
70	1 Measuring device Make: Nieberding, Type: C100, Serial no.: 00162406
71	1 Contour measuring device Make: Garant, Type: 499250 CM1, built 2017, with joystick and granite plate, mfr. Hoffmann, type M99250 CM1-CNC as well as PC, TFT monitor, Tastatur and mouse
72	1 Coordinate measuring machine (CMM) Make: Mitutoyo, Type: Crysta-Apex S776, built 2018, Serial no.: 61141217, with accessories, plus 1 tool trolley, mfr. Garant, 3 drawers, 1PC, 2 TFT monitors and keyboard
72a	1 Hydr. force measuring unit Make: Ora drive, Type: F1122
73	1 Measuring machine Make: Zeis, Type: Rondcom 54, internal no. MM09, with base frame and accessories, consisting of PC, 2 TFT monitors and keyboard
75	1 Platform ladder Aluminium, 6-step
76	2 Assembly shelving Plug-in system, each approx. 3,500 mm long, with contents consisting of div. plastic storage viewing boxes (rack contents per on-site inspection)
77	1 Cabinet Make: Garant, metal, 2-door
78	1 Scale Make: Sartorius, Type: PPO 14C
79	1 Storage table 800 x 800 mm, wood/metal, plus 1 mobile pedestal, 6 drawers and 1 upholstered chair
80	1 Rack Plug-in system, 3 shelves, approx. 1,000 mm wide
82	1 Gang drilling machine Make: Ixion, Type: BT 15 P, Serial no.: 00121230, 1 rack, plug-in system, 3 shelves and 1 swivel chair

Item	Description
94	1 Auxiliary tool cabinet Make: Hahn & Kolb, metal, 6 drawers, with contents consisting of indexable inserts, internal turning tools
95	1 Granite press plate Approx. 400 x 400 mm, plus 2 small sorting boxes
96	1 Cycle lathe Make: Kern, Type: CD480, built 1999, Serial no.: 3212.99, bar capacity: 72 mm, max. Ø 200 mm, turning length 500 mm, with control, mfr. Heidenhain as well as control cabinet, operating hours meter: 82,000 h, plus 1 cabinet, mfr. Garant, metal, 2-door, with accessories
97	1 Storage trolley Make: Garant, Type: 918540_T76, 3 shelves
98	1 Workbench Wood/metal, with back panel, with hand tools and 2 base units, metal, mitdiv. drawers, with contents consisting of surface plates, taper drills, reamers, clamping shims, inserts etc.
99	1 Workbench Wood/metal, approx. 1,400 mm, base unit metal, with mounted vise, mfr. Leinen
100	1 Chip trolley Make: Bauer, Type: SKW-ET250, built 2017, Serial no.: 5322603, capacity 250 l, for forklift operation
101	1 L+Z lathe Make: Weiler, Type: VS 2 Condor, built 1986, Serial no.: 10692, distance between centers: 400 mm, max. Ø 150 mm, with 2-way control, plus 1 cabinet, mfr. Garant, metal, 2-door, with contents consisting of accessories such as 3-jaw chuck, 4 pcs, tool holders approx. 20 pcs etc.
102	1 CNC lathe Make: DMG Gildemeister, Type: CTX apha 500, built 2012, Serial no.: 004000610C, operating hours: approx. 38,500 h, spindle: approx. 14,500 h, with control, mfr. Heidenhain, type plus i T, turret: 12 and transport securing accessories, plus 1 auxiliary cabinet, metal, mfr. Orion, with 6 drawers, with contents consisting of ausangetriebenen tools, approx. 6 pcs, mfr. Sauter, tool holder, collets etc.
103	1 Height gauge Make: Mahr, Type: Digimar 816DL, with granite measuring plate, 400 x400 mm
105	1 Chip container Make: Bauer, built 2005, capacity 0.25 m³, for forklift operation

Item	Description
106	1 CNC lathe Make: Emco, Type: Maxturm 25, built 2018, Serial no.:S2C184001, turret/WKZ: 6, bar capacity: 25 mm, max. Ø 100 mm, turning length: 300 mm, operating hours: approx. 14,800 h, spindle: approx. 6,000 h with control, mfr. Siemens, type Sinumerik 840D, bar loader, mfr. Emco, type LM800 and chip removal, plus 1 auxiliary cabinet, metal, mfr. Bedrunka, 6 drawers, with contents consisting of documents and indexable inserts or collets as well as reducer sleeves and tools
107	1 Digital microscope Make: Tomlov
108	1 Microscope Make: Mitutoyo, Type: toolmakers microscope
109	1 Cordless drill Make: Millwaukee, with charger and 2 batteries
110	1 Assembly shelving Metal, verzinkt, screwed, approx. 1,000 mm wide, 4 shelves
111	1 2-tier storage trolley Make: Fetra
112	1 CNC lathe Make: DMG Mori, Type: CTX alpha 500, built 2015, Serial no.:0040001024C, operating hours counter: approx. 33,500 h, spindle: approx. 13,500 h, turret/WKZ:12, bar capacity: 50 mm, max. Ø 200 mm, turning length 500 mm, with control, mfr. Heidenhain, type i T Plus as well as transport securing accessories plus 1 auxiliary tool cabinet mfr. Garant, metal, 8 drawers, with contents consisting of drills, hand tools, collets, jaws and tool holder and 1 lot of driven tools approx. 7 pcs
113	1 CNC lathe Make: DMG Mori, Type: CTX alpha 500, built 2017, Serial no.:0040001243C, turret/WKZ: 12, bar capacity: 50 mm, max. Ø 200 mm, turning length 500 mm, operating hours: approx. 23,300 h, spindle: approx. 9,600 h, with control, mfr. Heidenhain, type i TPlus and transport securing accessories, plus 1 auxiliary cabinet, mfr. Garant, metal, 9 drawers, with contents consisting of forks, keys, accessories and driven tools, approx. 8 pcs, and brackets
114	1 Tool cabinet Make: Garant, with contents consisting of consumable tools, 9 drawers and hand tools
115	1 Tool console storage Consisting of 2 auxiliary tool cabinets, with div. drawers, mfr. Garant as well as 1 additional cabinet, with IT system and barcode scanning laser
116	1 Lot of tool stock Make: Hoffmann, consisting of cutting inserts, indexable inserts, wiper inserts, cutting inserts, grooving inserts etc.(scope per on-site inspection)

Item	Description
193	1 Robot automation Make: Hermle, Type: RS1, built 2023, Serial no.: 4925911, with handling module, mfr. Kuka and accessories consisting of 1 pallet PAROTEC 398x398 STM160, 3 pallets 600x400 - 50 kg, 1 universal pallet 600x400 - M1 - 4x2 / 8 pcs, 1 universal pallet 600x400 - M2 - 6x2 / 12 pcs, 1 universal pallet 600x400 - M5 - 6x5 / 30 pcs, 10 attachments for pallet NSR-plus, 16 attachments for pallet NSR-plus - RS1, 26 switching cams for attachments NSR/NSR-plus, 1 robot base system RS1, 1 BAZ - HACS, 1 rotatable setup station - base unit, 1 storage plate for setup station - Parotec, 1 setup station extension for additional receptacles, 1 single storage table, 1 drip tray RS1, 1 quick-change gripper system - IO-Link, 1 single quick-change gripper - IO-Link, 1 NC quick-change gripper - IO-Link, 1 storage module RS1 - 6.5 - Parotec 160 and enclosure
194a	1 Zero-point clamping system Make: Schunk, Type: VERO-S NSL 3, plus 5 clamping systems mfr. Schunk / Gressel, type KSD, 1 high-pressure clamping system, 1 three-jaw chuck and accessories
195a	1 Lot of tool holders HKS 63 and tools approx. 200 pcs
196	1 Assembly shelving Plug-in system, approx. 800 mm wide, 3 shelves
197	1 Micromotor system Make: Joke, Type: Eneska 3-2, with handpiece
198	1 Storage table Plastic/metal
199	1 Magnetic board 2,000 x 1,000 mm, freestanding
200	3 Waste bins Metal
201	2 Small platform transport trolley
202	1 Chip trolley Make: Bauer, built 2007, max. capacity approx. 0.25 m³, for forklift operation

Item	Description
203	1 CNC machining center Make: Mazak, Type: Integrex i-200H ST, built 2025, Serial no.: 359525, max. Ø 200 mm, 850mm turning length, operating hours: approx. 2,850 h, turret/WKZ: 12 stations for driven tool holders (Orthogonal), travel ranges: X-axis 535 mm (+485 mm/ -50 mm), Z-axis 900 mm, Y-axis 210 mm, swivel range B-axis 240° (-30° ~ +210°), travel range X2-axis 210 mm, Z2- axis 900 mm, W-axis 900 mm, chuck diameter main spindle 8 ", chuck diameter counter spindle 8 ", Max. swing diameter 600 mm, Max. machining diameter with milling spindle 600 mm, Max. machining diameter lower turret 400 mm, Max. bar diameter 65 mm, main spindle: max. speed 5,000 min-1, min. speed 35 min-1, spindle bore 76 mm, counter spindle: max. speed 5,000 min-1, min. speed 35 min-1, spindle bore 76 mm, milling spindle: tool changing unit single spindle with ATC, tool holder Capto C6/HSK-A63/HSK-T63/KM4X63, shank holder turning tool (Vkt.) 25 mm, boring bar holder (max.) 40 mm, end mill (max.) 130 mm, tool magazine for 74 tools (HSK), air blast system on chuck (main spindle), counter spindle with full-fledged C-axis (contour/index 0.0001°), prepared for bar feeder, with chip conveyor, mfr. Knoll, mfr. no. 1706111, built 2025, with control, type Mazatrol Smooth Ai, Smooth restart function / restart operation, 5-axis machining package for MAZATROL Smooth Ai, Smooth synchronous thread cutting, engraving function, cylindrical and polar interpolation (EIA) the X-/C-axis, 1 3D probe and 2 chucks plus 1 industrial robot handling system, mfr. Robojob, type TA200i 25, mfr. no. 17-25-1873, for small to medium-sized components, workpiece diameter 25-200mm, robot payload 25Kg (without gripper), for workpieces up to 18Kg (single loading), or simultaneous loading and unloading of components, up to 9 kg each; 2 HD Flex gripper systems JGZ125 (3 fingers), 90-degree gripper arrangement, mounted on an integrated quick-change system; manual clamping force control for blank and finished-part grippers; servo table with 2 storage surfaces of 250 x 660 mm each, 300 kg load capacity, adjustable stop bolt (350 mm high); 2-zone safety shielding with laser floor scanner, built 2025.
203a	1 Chuck For Mazak Integrex i-200 H ST plus 1 power chuck system mfr. Hainbuchwith approx. 15 chuck heads mfr. Hainbuch, type Top 65 in various sizes and accessories
204	1 Euro pallet storage trolley Metal
205	1 Folding ladder Aluminium, 5-step
206	1 Cabinet Make: Garant, metal, 2-door, internal ref. Mazak cabinet, with contents consisting of 1 lot of holders HKS 63 and tools, approx. 90 pcs

Item	Description
207	1 Workbench Approx. 1,800 mm wide, with 2 base units, metal, with div. drawers, with contents consisting of manual tools, open-ended wrenches, inserts, tools, clamping devices, jaws, steady rests etc.
208	1 Height gauge Make: Sülvac, Type: HI_CAL300, with granite measuring plate, mfr. Garant, type 430190 DIN 876/0, mfr. no. 214629-1-2
209	1 First-aid cabinet Wall-mounted, metal, 1-door, plus 1 first-aid case, wall-mounted
211	1 Euro pallet storage trolley Make: Fetra, with frame pallet, mfr. Fetra
211a	1 Euro pallet storage trolley Make: Fetra, with frame pallet, mfr. Fetra
212	1 Oil drip tray Make: Asecos, Type: W17994, built 2015, capacity 270 l
213	1 Chip trolley Make: Bauer, with forklift pocket
214	1 Honing and lapping machine Make: Nagel, Type: HHM90, Serial no.: 2427
215	1 Refrigerator Make: Liebherr, Type: Comfort
216	1 Assembly shelving Plug-in system, approx. 800 mm wide, 3 shelves
217	1 Column drilling machine Make: Ixion, Type: MK3P, Serial no.: 3/81/01/51
218	1 Mobile workbench Wood/metal, with base unit, with 4 drawers
219	1 L+Z-lathe Make: Martin, built 1984, distance between centers approx. 1,000 mm, center height approx. 200 mm
220	1 Surface grinder Make: Elb, Type: Perfekt 6 SPS, built 2004 / partly overhauled 2023, Serial no.: 50525, grinding range 600 x 400 x 475 mm, x-travel range: 700 mm with chip filter and magnetic clamping table, approx. 400 x 600 mm
221	1 Industrial ventilation unit Make: LTA, Type: AC-3801-R Solid, built 2019, with height-adjustable column and base
222	1 Auxiliary tool cabinet Metal, 6 drawers, with contents consisting of div. standard accessories and Handwerkzeuge

Item	Description
223	1 Auxiliary tool cabinet Metal, 6 drawers, with machine accessories zur grinding machine
224	1 Height gauge Make: Mahr, Type: Digimar 816CL, with granite measuring plate, mfr. Planolith and base frame
225	1 Cylindrical grinder Make: Studer, Type: S33 cnc, built 2008, Serial no.: 098, mfr. no. 027.0587, operating hours 52,727.15 h, distance between centers 1,000 mm, center height 175mm, max. Ø 150 mm, internal grinding: yes, with chip filtration system and industrial filter unit, mfr. Airfresh, type FMN-12, mfr. no. 5776, built 2008, 2 three-jaw chuck, 2 magnetic chuck plus 1 auxiliary tool cabinet, 6 drawers, with contents consisting of machine accessories and 1 power chuck system Fab. Hainbuch, type Torok and approx. 12 chuck heads mfr. Hainbuch, type Top 65 with accessories
225a	1 Workbench Without base unit
226	1 LPG forklift (later release: 27.11.26, possibly earlier) Make: Jungheinrich, Type:TFD425, built 2005, Serial no.: FN322903, max. lift height 5,000 mm, max. load capacity2,500 kg, operating hours 1,226.11 h(later release: 27.11.26, possibly earlier)
226a	1 Forklift personnel cage
227	1 Heavy-duty pallet rack 4 Felder à approx. 2,800 mm, 3 shelves
228	2 Heavy-duty pallet racks Each approx. 2,800 mm long, each 4 shelves
229	1 Oil cabinet 3 shelves, with oil drip tray plus 1 drum transport rack and div. oil and coolant canisters, partly in original packaging
231	1 Double-sided cantilever rack (without contents) Make: Schulte, Type: K1000, built 2018, cantilever arm length approx. 300 mm, max. arm load 200 kg, max. column load 1,200 kg, approx. 2,000 mmlang
232	1 Pallet truck Max. load capacity 2,500 kg
233	1 Heavy-duty transport system Consisting of 1 castor, with steering guide, mfr. Steerabl Skats, max. load capacity approx. 6,000 kg, plus 2 lifting ram, max. load capacity each 6 t
234	1 Marquee set Consisting of 1 table and 2 benches
235	1 Lot of plastic stacking chairs 6 pcs, plus 2 tables, foldable

Item	Description
236	1 Locker Metal, 3-door
237	1 Vibratory deburring machine Older
238	1 Workbench Wood/metal, 1 base unit, 5 drawers, older, mobile, plus 1 office swivel chair and 1 Bandschleifmaschine, mfr. Mafac, bench-mounted
239	1 Sack truck Metal, with rubber tires
240	1 High-pressure cleaner Make: Kärcher, plus 1 garden hose reel
241	1 Container Metal, for forklift use
242	1 Industrial vacuum cleaner Make: Nilfisk, Type: Alto Attix9
243	1 Wheelbarrow
244	1 Compressor unit Consisting of 1 screw compressor, mfr. Kaeser, type ASD40 Sigma, with refrigerant dryer, type ABT60, plus 1 screw compressor, mfr. Kaeser, type ASD32as well as 1 refrigerant dryer, mfr. Kaeser, type TC31, mfr. no. 2501, built 2012 and 1 vertical receiver, verzinkte version, capacity 1,500 l, built 1990
245	1 Extension ladder Aluminium, 12-step
246	1 Catch tray Approx. 2,000 x 1,000 mm, older, plus 3 IBC container and 1 metal container
246a	1 Rack Metal, with wooden inserts, 5 shelves
248	1 Light commercial van, DA-FB 1021 Make: Fiat, Type: Doblo 80 Multijet, FIN:ZFA26300006G62755, closed box, 59 k W, Diesel, permitted gross weight 2,070 kg, mileage 236,500 km, first reg. 10/17(key no. 1727/AIP)
253a	1 Lot of raw material Consisting of roand stock in various diameters and offcuts, various materials(scope per on-site inspection)
253b	1 Bench drill Make: Flott, Type: TPZ 14
253c	1 Measuring machine Make: Mahr, Type: ST 500

Item	Description
253d	1 Bench tapping machine Make: Hagen + Goebel, Type: HG 6, Serial no.: 50418
253e	1 Scrubber-dryer Make: Nilfisk, Type: SC 500
253f	1 Clamping system Consisting of 2 clamping towers, 2 clamping systemsn and accessories
253g	1 Puller Make: Kukko, Type: K 2030-10S
254	1 Lot of raw material Consisting of profile and bar stock, mainly 6,000 mm long. unterschiedliche Dickenand diameter, varying materials.(scope per on-site inspection)(viewing at this location by prior arrangement only)
300	1 Packaging machine Make: Foam Plus / STOROpack, Type: Backpacker, built 2014, Serial no.: 525, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request available)
301	1 CNC lathe Make: Gildemeister, Type: CTX 400 S2 V3, built 1999, Serial no.:01160002711, operating hours counter: 84250, with control type Turn Plus CNC Pilot 3190, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request)
302	1 ATEX-zertifizierter industrial vacuum cleaner Make: Delfin, Type: DG70 EXPPNZ22-003-ATEX, built 2017, Serial no.: 170586759, (viewing by appointment only)
303	1 Automatic bandsaw Make: Kasto, Type: EBS 340 AU, built 1986, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request)
304	1 Universal tool milling machine Make: MAHO, Type: MH 500 W1, built 1991, Serial no.: 52065, with control mfr. MAHO, type CNC 132, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request)
306	1 Universal tool milling machine Make: MAHO, Type: MH 400 C, built 1985, Serial no.: 45063, with control type CNC 432, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request)
307	1 Tool milling machine Make: Deckel, Type: FP 2 A, built 1988, Serial no.: 2819-0519, operating hours counter: 19313, with control mfr. Deckel, type Contour 3 / Dialog 4, de-energised, loading assistance on site(viewing by appointment only, further photos or videos on request)
